2020 Term 3 – Week 8

Kia Ora Walton Whanau

THANK YOU FOR YOUR SUPPORT

Despite COVID19 being an absolute nuisance, we still managed to have an awesome school cross country last week. I'd like to thank our community for supporting our precautions and guidelines for the day, this meant our tamariki could enjoy running in front of their parents and whanau. The smiles on their faces would suggest it was a successful day in more ones than one.

The next big event will be our school's Pet Day which is planned for next week. I again ask that everyone supports us with this because if we're still in Level 2 then it will look quite different to previous years...but this will mean we can still go ahead with it - which is far better than other possible scenarios.

Touching Base

Do you need to touch base with your child's teacher? Then we want to hear from you. You might have something on your mind but feel like you don't want to bother a teacher, that's when it's a perfect time to catch up with us! If it's enough to bother you then it's enough to have a chat about. Our teachers want to hear from you about these minor things, in fact it's the minor things we prefer to hear about before they grow into major things ☺

Sometimes you might be in luck when you pop down to school and happen to catch your child's teacher in between teaching and other activities. However, if you'd like to ensure you do have that uninterrupted scheduled time with your child's teacher then here is what you can do:

- *Email your child's teacher asking if they will be able to meet at some stage over the next few days*
 - *Give some options of when suits you too ☺*
 - *NOTE: It may not be possible for teachers to meet you on the same day you email or call them, so please give them a day or two heads up*
- *Briefly outline what you would like to chat about, remember nothing is too small if it's playing on your mind. We want to help you and your child.*
- *If you don't have email, you can always call the office.*
- *If it's easier for you, then you can even let the teachers know that you don't necessarily want to meet but would like an email reply, or a call, to what's on your mind ☺*
